

Angular Baffles are designed for cold aisle applications. Quick and easy magnetic mounting allows for a fully deployed containment solution in minutes, with minimal disruption to the computer room.

AisleLok® Modular Containment is the industry's first modular containment solution designed to offer the airflow management benefits of hot and/or cold aisle isolation, but with greater flexibility and price value than traditional containment solutions. The AisleLok® Modular Containment solution is comprised of Rack Top Baffles, Bi-Directional Doors, and the Adjustable Rack Gap Panel.
