

# Data Clean<sup>®</sup>

**The Controlled Environment Specialists**

The uniquely adjustable panels can be fitted to every size of rack unit, from one to six. The innovative 'pop-in clip' allows the panels to be installed or removed in seconds without the need for screws or tools.

This version of the EZIBLANK fits most racks EXCEPT racks with round pin rails. For a round pin installation, check out the Universal EZIBLANK.

**SIMPLE TO INSTALL**  
No screws or tools needed.

**FITS ANY RACK SIZE**  
Size each panel to suit your Equipment

**SAVES MONEY**  
Saving energy, cuts costs and good for the environment

**EASY TO USE**  
Simply snap off the number of panels needed

**ENVIRONMENTALLY FRIENDLY**  
Only recyclable plastic is used – it's great to be green!
